How to Use This Classroom Décor Packet

This resource is comprised of 2 separate files:

- The **PRE-LABELED FILE** was created as a time saver for your convenience. You cannot change the text, images, or colors on these slides.
- The **EDITABLE FILE** pages are editable, meaning that you can add your own text to the pages. You cannot change the images, colors, or backgrounds. On these pages, simply add a text box wherever you like, and add your own words, choosing the font, size, and color that you prefer. Please click **HERE** to see a YouTube video tutorial where I demonstrate how to use my editable files.

The font I have mainly used in this product is "MTF Jumpin Jack," which can be found in a quick Google search. You can also just choose a favorite font of your own from your computer and use that.

There are many, many ways you can use the editable pages: Locker tags, pennant banners, supply bins, classroom library levels, nameplates, cooperative group names, word walls, Math and Language Arts centers, Choice Boards, bulletin boards, Writing process labels, differentiated learning centers, game cards, and so many more!

Add a splash of bright colors with accessories, such as paper lanterns or large tissue paper pom poms, throughout your classroom for a fun, colorful look!
