# 2 MYSTERY PICTURES

Select the correct answer to uncover the picture.

$$856 - 310 =$$

Select the correct answer to uncover the picture.

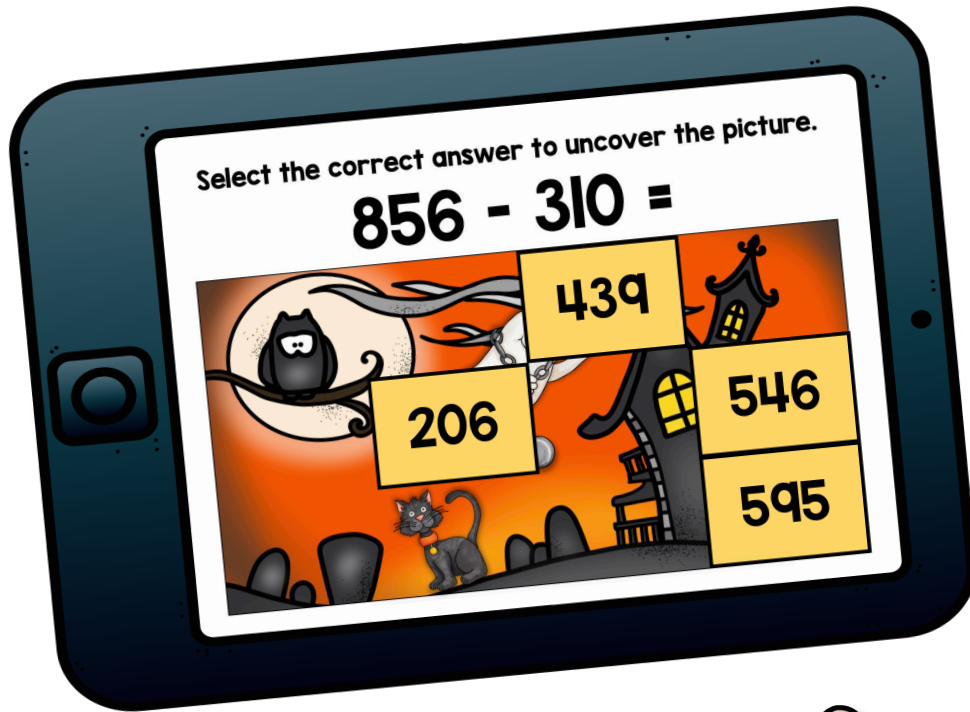

$$913 - 682 =$$

Each time a student selects the correct answer, a tile is removed from the mystery picture.

Each picture has 12 questions.

# FUN MATH PRACTICE ON DIGITAL DEVICES

BOOM  
cards are  
**self-**  
**correcting,**  
and you  
can easily  
track your  
students'  
data.
