### PREDICTING OUTCOMES

Bill had watched a horror movie with his friends. Now he regretted it because he could not sleep. Every noise he heard made him jump in terror.

What prediction can you make?

- A) Bill will watch another horror movie tomorrow.
- B) Bill will fall asleep soon.
- C) Bill will not watch another horror movie for a while.

**MULTIPLE CHOICE  
AND OPEN ENDED**

### PREDICTING OUTCOMES

It was an extremely hot day. Jared had just finished a 3-mile run. The heat was unbearable. He saw his friends heading toward the lake with their inner tubes.

What do you predict Jared will do next?
