

BUILD A TURKEY

TURKEY FEATHERS

Each time a team correctly completes one task, they earn one turkey feather. Make the same number of copies of this page. Students will tape or glue each feather to the turkey body as they complete the tasks. When they have successfully finished the escape room, they will have a complete turkey at that time.

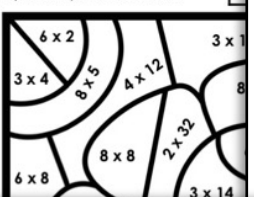

TASK 1

Color by Code

Directions: Use the coloring key to correctly color the picture below. When you finish, take this page to your teacher to receive one feather for your turkey and the next task.

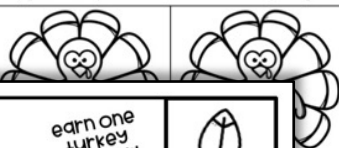

48	36	42	12
ORANGE	RED	BROWN	PINK

TASK 2

Product Problems

Directions: Solve each problem on the back of this page. If the product is odd, color the turkey orange. If the product is even, color the turkey green.

TASK 3

Multiply & Match

Directions: Solve each turkey's problem on the back of this page. Then, draw a line to the feather with the correct answer.

45 x 86

2,788

TASK 4

Turkey Time

Directions: Solve each problem on the back of the sheet. You MUST show your work. Then, write the letter above the number at the bottom that matches each product.

Tom Turkey eats 45 kernels of corn each day. How many kernels of corn does he eat in 3 days?

There are 24 turkeys in a flock on Farmer Nel's farm. There are 11 flocks of turkeys. How many turkeys are there altogether?

67 turkeys each weigh 10 pounds. How much do all the turkeys weigh in all?

43 turkeys each gobble 10 times in an hour. How many times did all the turkeys gobble in an hour altogether?

Jamal bought 84 bags of corn to feed his turkeys. Each bag holds 94 kernels of corn. How many kernels of corn did Jamal buy?

of Thanksgiving?

AN ESCAPE ROOM ACTIVITY

CREATED BY: SHELLY REES

ENGAGING, FUN MULTIPLICATION PRACTICE!

- Students have to work in teams (or individually) to complete all 5 math tasks.
- When they complete each task correctly, they earn a feather for their turkey.
- Once they have all 5 feathers, they have won!
- The goal is to have all teams complete the challenge.

Students earn feathers for their turkey as they correctly complete each task.

TASK 1

Color by Code

earn one turkey feather!

Directions: Use the coloring key to correctly color the picture below. When you finish, take this page to your teacher to receive one feather for your turkey and the next task.

48 ORANGE	36 RED	42 BROWN	12 PINK
56 PURPLE	28 BLUE	40 GREEN	64 YELLOW

TASK 2

Product Problems

earn one turkey feather!

Directions: Solve each problem on the back of this page. If the product is even, color the turkey green. If the product is odd, color the turkey orange.

56×23
